

### **Mollie Bassett**

Mollie Bassett is an artist, educator and art therapist dedicated to creating a therapeutic environment that provides creativity and art-making as an outlet. With a MA in Art Therapy and a BFA from the Fashion Institute of Technology, Mollie applies her skills to working with various populations in health facilities and museums including the Children's Museum of the Arts' inclusive programs, the Queens Museum of the Arts, and the Nassau County Museum of Art's education department.
